

# IMAGINE A WORLD IN WHICH WE...

**FOCUS ON THE (HUMAN) BEING FIRST, AND THE “DOING” SECOND • LET LOVE GUIDE OUR THOUGHTS, WORDS, AND ACTIONS • DEPART FROM LIVING A REACTIVE, FAST-PACED LIFE TO LIVING A SLOWER, PROACTIVE ONE • GIVE EVERYTHING WE DO THE TIME AND ATTENTION IT DESERVES, BECAUSE HOW WE DO ANYTHING IS HOW WE DO EVERYTHING • SHIFT FROM LIVING FOR OURSELVES TO LIVING IN SERVICE OF OTHERS (WITHOUT UNDERMINING OURSELVES) • USE OUR STRENGTHS TO COMPLEMENT OTHERS’ WEAKNESSES • DO FEWER THINGS WELL IN THE SHORT TERM, SO WE CAN DO MORE IN THE LONG TERM • STOP MAKING OUR WORK THE CENTER OF OUR LIVES AND START MAKING OUR WORK A PART OF IT • REALIZE THAT OUR PROFITS DON’T HAVE TO COME AT THE COST OF OUR PLANET (WE CAN HAVE BOTH, AND IT’S THE ONLY WAY FORWARD) • MOVE FROM SHORT-TERM THINKING TO MAKING BETTER LONG-TERM CHOICES • LIVE OUR LIVES AS IF WE WERE COMPLETE (BECAUSE WE ARE) • STOP LOOKING FOR HAPPINESS OUTSIDE AND REALIZE IT’S WITHIN • RETIRE FROM CONSTANTLY WANTING MORE TO BEING CONTENT WITH WHAT WE HAVE • BASE OUR ACTIONS ON WHAT IS IN THE BEST INTEREST OF OUR PLANET, BECAUSE THAT WILL ULTIMATELY BE IN OUR INTEREST AS WELL**
